

Are you receiving SNAP?

There are additional services available for you!

We have Employment Counselors that can assist you, here's how they can help:

FIGURE OUT WHAT CAREERS ARE RIGHT FOR YOU!

- Complete assessments of strengths and interests to consider for your career pathway
- Selecting a career pathway that is high demand and has higher wages

ACCESS TO TRAINING & EDUCATION OPPORTUNITIES!

- Determining eligibility for assistance with education and training expenses.
- Exploring internship opportunities to gain relevant work experience.

PREPARING FOR YOUR JOB SEARCH!

- Finding job opportunities and completing applications
- Developing skills for success in your job search and new job (resume writing, interviewing skills, workplace success, conflict resolution, career exploration, etc.)
- Developing skills for advancement in your career

OTHER CUSTOMIZED SUPPORT SERVICES!

- Support services including bus cards, gas cards, uniforms, or other work related tools (based on your eligibility)
- Referrals to community resources or agencies (housing, mental health, adult basic education, etc.)
- Assistance with communication across other agencies you may be working with
- The ability to earn additional time on SNAP

Where ever you are on your path to success, an Employment Counselor can serve as an ongoing point of contact to help you navigate your options!
